SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

This is a Supplemental Information Disclosure Statement with regard to the above-identified application. Copies of each of the documents listed in the attached Form PTO/SB/08B are attached.

A clerical and/or typographical error was made in the Information Disclosure Statement filed on July 7, 2003 in the above-captioned application. Document AD of the previous Statement was mistakenly listed as U.S. Patent 5,739,099. Applicants intended to cite, and now cite, U.S. Patent 5,793,099, which is document A on the attached Form PTO/SB/08B. Document A relates to a semiconductor device and was cited in an Office Action dated January 4, 1999 (copy attached) in the related application 08/875,330 (now U.S. Patent 6,099,678).

It is respectfully requested that the attached documents be considered and officially cited, and that a copy of the Form PTO/SB/08B, initialed by the Examiner to indicate that the documents have been considered, be returned to the applicants.

The government fee of \$180.00 was filed with the July 7, 2003 Supplemental Information Disclosure Statement and it is therefore believed that a further fee is unnecessary.

Serial No. 09/785,486

However, the Commissioner is hereby authorized to charge any fee deficiency or any additional fees which may be further required in this application, or credit any overpayment to Deposit Account No. 501281, under an order number which corresponds to the above attorney docket number.

Respectfully submitted,

GRIFFIN & SZIPL, P.C.
